

EASYMAX[®]

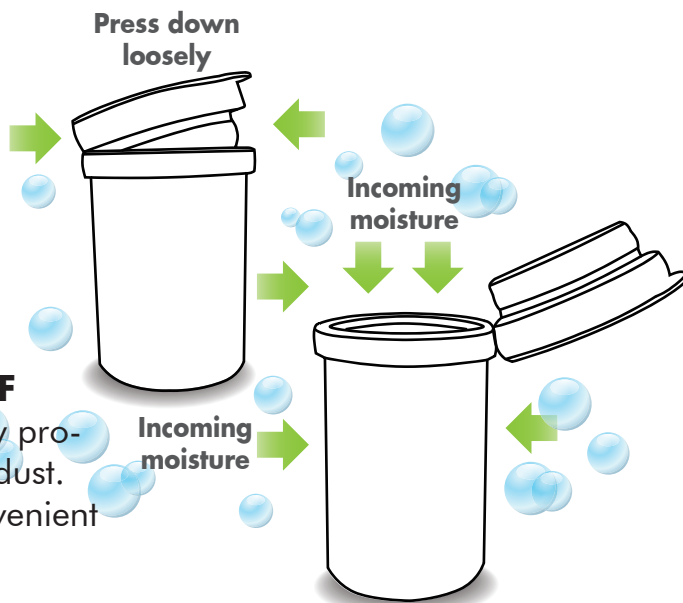

**SELF-MONITORING
BLOOD GLUCOSE SYSTEM**

**FOIL PACK
TEST STRIP**

◆ Consistent performance

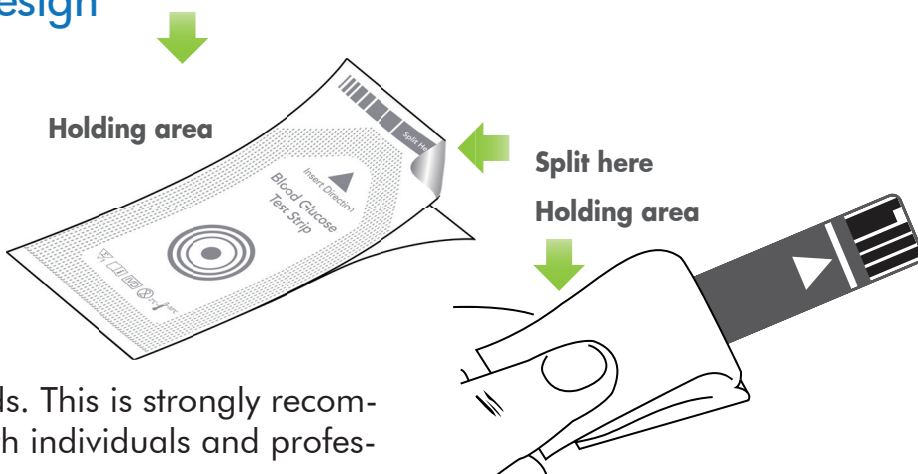

Open the bottle many times, moisture will enter inside if the users do not close the cap immediately and it **MAY DECREASE THE RELIABILITY** of the test strip performance.

UNTIL THE LAST SECOND OF USAGE, the test strip is perfectly protected away from moisture and dust. Besides foil package is very convenient and safe to carry around.

◆ Easy Peel Design

It increases the efficiency of taking out the test strip, and avoids the possible pollution if contact the strip directly by hands. This is strongly recommended for both individuals and professionals use.
